Chairman Pai,

It is my honor to write you to recommend that Councilmember Lee Kleinman be part of the FCC Intergovernmental Advisory Committee. Councilmember Kleinman is a valued member of the Dallas City Council and is an esteemed leader in our community whose background and experience would serve the Committee well.

Councilmember Kleinman has served in various leadership roles during his time as a Dallas City Councilmember. He presently serves as Chair of the Mobility Solutions, Infrastructure and Sustainability (MSIS) Committee as well as Chair of the Legislative Committee where he advocates for City issues at both the state and federal level. Councilmember Kleinman also serves on the Economic Development and Housing Committee as well as the Government Performance and Management Committee, is an Executive Committee Member of the North Central Texas Council of Governments, which is an organization of sixteen county Municipal Planning Organization, the Regional Transportation Commission, the Dallas Regional Mobility Coalition, and as a Trustee on the Dallas Employees Retirement Fund.

Prior to his full-time commitment to public service, Councilmember Kleinman was a specialist in cellular and wireless channel development as well as in the commercialization of technology products. He owned Trio Teknologies, a Master Dealer for AT&T, Verizon, Sprint and T-Mobile for wireless data. Prior to selling the company, he built a network of over 800 wireless data dealers nationwide, which demonstrates his knowledge and experience that would serve the Committee well.

I am pleased to strongly recommend that you name Councilmember Lee Kleinman to this important position. I can be reached directly at (b) (6) or [eagle@petesessions.com](mailto:eagle@petesessions.com) if you have any questions. Thank you for consideration of this recommendation and your service to our nation.

Sincerely,

Pete Sessions

OFFICE OF  
THE CHAIRMAN

The Honorable Pete Sessions  
U.S. House of Representatives  
2233 Rayburn House Office Building  
Washington, D.C. 20515

Dear Congressman Sessions:

Thank you for your letter supporting the appointment of Lee Kleinman to serve as a member of the Intergovernmental Advisory Committee (IAC).

As you know, the mission of the IAC is to provide advice to the Commission on many telecommunications issues affecting local, state and Tribal governments, including cable and local franchising, public rights-of-way, facilities siting, universal service, barriers to competitive entry, and public safety communications. The IAC has been an important source of information and guidance to the agency over the past 20 years. The Commission's action to expand the IAC from 15 members to 30 members will enhance its role by allowing for a greater diversity of viewpoints representing our municipal, county, state, and Tribal partners throughout the country.

I appreciate the information you provided regarding Councilmember Kleinman's background and his experience as a member of the Dallas City Council. Please be assured that I carefully consider your recommendation of Councilmember Kleinman's credentials as I make final decisions on nominees to the IAC.

Thank you for your interest in this matter. Your views are very important and will be entered into the record of the proceeding and considered as part of the Commission's review. Please let me know if I can be of any further assistance.

Sincerely,
